Why Should You Participate?

Without exception, every time we ask participants at District programs what they found to be most helpful the response is the same — time spent with other Rotarians sharing ideas.

Who should attend?

All Rotarian's are encouraged to participate, regardless of Rotary experience. Ideal candidates include:

- *President Elect, Secretary & Treasurer*
- *Membership, Public Image and Foundation Committee Chairs and Youth Exchange Officers & Counselors*
- *Rotarians, regardless of experience, interested in learning more*

Past attendees stated they wished they had included enough club representatives to cover each and every track! Please plan accordingly!

Foundation Grant Mgt. Seminar

Major bonus—we are offering this mandatory seminar at same time/location. It's a great chance for club members to understand the process and opportunities!

Cost and Logistics?

The cost for participation is only \$5 to cover lunch expense. We chose locations that enable maximum participation while allowing you to get home for dinner.

ADVANCE REGISTRATION IS REQUIRED.
